Documentation Checklist

Patient Name: Person
Consultation Date: Date

Pre-Consultation Requirements

To ensure a seamless and professional experience, we request that the following documentation be submitted prior to your scheduled appointment. Having this information in advance allows us to begin the consultation efficiently and, most importantly, allows us to aid the patient with their insurance reimbursement requests by verifying coverage and coding requirements beforehand.

Status	Required Document	Description
[ ]	Physician Order / Prescription	A formal prescription from your healthcare provider for a "Cranial Hair Prosthesis."
[ ]	Diagnosis Documentation	Supporting medical records or a clinical summary that includes the specific diagnosis (e.g., Alopecia Areata, Chemotherapy-Induced Hair Loss).
[ ]	Patient Demographics	Completed intake form including full legal name, date of birth, address, and

Status	Required Document	Description
		current insurance provider details.

Why This Matters

Our goal is to provide more than just a service; we aim to provide a solution. By securing these documents early:

- **Consultation Efficiency:** We can spend our time focusing on your aesthetic needs and custom fitting rather than administrative paperwork.
- **Insurance Advocacy:** We use this data to help navigate the complexities of medical insurance, increasing the likelihood of a successful reimbursement claim for your prosthesis.

Please forward these documents to Person at your earliest convenience or upload them to your secure patient portal.

If you have any questions regarding how to obtain these documents from your physician, please contact us directly.
